ANNUAL REPORTS

of

HINSDALE, NH

1984

ROBERT F. DELANO

The Hinsdale Board of Selectmen is proud to dedicate the 1984 Hinsdale Town Report to Mr. Robert F. Delano. Mr. Delano, a resident of the Town of Hinsdale since 1927, served as Town Treasurer for nineteen years. Additionally, he has served on the Cheshire County Executive Council and has been active in local civil and religious organizations. Presently, Mr. Delano represents Hinsdale in the New Hampshire Legistature and serves the community as a Trustee of Trust Funds. On behalf of all Hinsdale residents, we offer our sincere appreciation to Mr. Delano for his many years of service to the Town.

Duff A. Delano, Chairman

Charles A. Rosploch, Jr., Selectman

Romao Renaud, Selectman

Roland H. O'Neal

1915 - 1984

In Memoriam

Roland H. O'Neal, a lifelong resident of the Town of Hinsdale, devoted much time and energy to his community. Mr. O'Neal served as a member of both the Hinsdale Playground Committee and the Hinsdale School Board. Additionally, his service to the community included terms as a Director of the Cheshire National Bank and the Cheshire County Y. M. C. A. At the time of his death, Mr. O'Neal was active as a Trustee of Trust Funds for the Town. Mr. O'Neal was also a distingushed member of both the Kiwanis and Mason organizations.

TOWN WARRANT

To the inhabitants of the Town of Hinsdale qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, on Tuesday, the 12th day of March, 1985 at 10:00 o'clock in the forenoon to act on the following subjects:

Article 1. To cast your ballot for all necessary Town Officers.

Article 2. To see if the provisions of Chapter 287-E of the revised law relative to playing games of beano and the sale of lucky 7 tickets shall be adopted at this time.

Article 3. Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the Town zoning ordinance as follows:

> To amend IV, Non-conforming lots to reflect textual modifications to the provisions governing non-conforming lots.

Article 4. Are you in favor of adoption of Amendment No. 2 as proposed by the planning board for the Town zoning ordinance as follows:

> Relative to the modification of the boundaries of the Industrial Zone, specifically that portion located on the south side of Monument Road, east of Oak Hill Road.

Polls open on the above articles at 10:00 A.M. and shall not be closed earlier than 7:00 P.M.

The following part of the Town Meeting will be adjourned until Monday, March 18, 1985, at 7:30 P.M.

Article 5. To see if the Town will vote to raise and appropriate a sum not to exceed $98,000.00 (ninety-eight thousand dollars) for the construction of a garage for the water and highway departments and to fund from the water department one fifth of the total amount of the project cost and to authorize the Selectmen to borrow a sum not to exceed $98,000.00 (ninety eight

Article 5. cont. thousand dollars) on the credit of the Town and issue and sell notes and bonds in the name of and on the credit of the Town and under and in accordance with the Municipal Finance Act of the State of New Hampshire and any amendments relating thereto, and to authorize the Selectmen to fix the time and place of payment of said principal of said note or bond and interest thereon and the principal amount of each note or bond and to take action with respect thereto, as may be necessary or advisable.
Inserted by Selectmen Recommended by Budget Comm.

Article 6. To see if the Town will vote to raise and appropriate the sum of $20,000.00 (twenty thousand dollars) and to deposit that sum into the capitol reserve fund established by the voters in 1982 for the purpose of funding a complete property revaluation (revaluation to be conducted in a future year). or act in any manner thereon.
Inserted by Selectmen Recommended by Budget Comm.

Article 7. To see if the Town will vote to raise and appropriate a sum not to exceed $17,100.00 (seventeen thousand one hundred dollars) to fund the purchase of a one ton truck equipped with dump body and plow, for the Hinsdale Highway Dept., or act in any manner thereon.
Inserted by Selectmen Recommended by Budget Comm.

Article 8. To see if the Town will vote to raise and appropriate a sum not to exceed $14,183.00 (fourteen thousand one hundred eighty three dollars) to fund the purchase of a police cruiser equipped with radio and lightbar, or act in any manner thereon.
Inserted by Selectmen Recommended by Budget Comm.

Article 9. Board of Selectmen
Town of Hinsdale, New Hampshire

We have examined the financial statements of the various funds and account groups of the Town of Hinsdale, New Hampshire for the year ended December 31, 1983 and have issued our report thereon, dated March 6, 1984. As part of our examination, we reviewed and tested the Town's system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing, and extent of other such auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgement by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgement, carelessness, or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect to the estimates and judgements required in the preparation of financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in condition and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the Town's system of internal accounting control for the year would not necessarily disclose all weaknesses in the system. Such study and evaluation did not disclose any material weaknesses. However, the recommendations on administration and operational matters not directly related to internal accounting control, as listed below, were developed from our observation of the Town's operations. They are not the result of a special study.

ACCOUNTING FOR CASH

We were pleased to observe that the Town implemented our prior recommendations regarding custody and reporting of cash. We no longer consider the Town to have a material weakness in internal accounting control over cash. However, we believe that the number of bank accounts in the General, Capital Projects, and Enterprise Funds make reconciliation and reporting procedures unduly cumbersome and time consuming. As a short term solution, we recommend that the Town continue to consolidate bank accounts by individual fund. For the long term, we recommend that the Town consider a pooled cash account, which would maximize return on temporarily idle funds and simplify cash accounting.

RECORDING OF ACCOUNTS PAYABLE

Currently, the Town holds its books open for a short time after year end in order to record any outstanding bills in the proper year. This unnecessarily complicates year end closing procedures for the Selectmen's and Treasurer's Offices. We recommend that the Town consider recording accounts payable and cut-off activity promptly at year end. Under separate cover, we have provided operating staff with suggested procedures to accomplish this recommendation.

ENTERPRISE FUND ACCOUNTING METHODS

Accounting records in the Water and Sewer Enterprise Funds consist primarily of cash receipt and disbursement journals. We recommend that the Enterprise Funds adopt a double entry accounting system. This would provide better management information and would ease the transition to computer application in the future.

FEDERAL INFORMATION RETURNS

Payments to unincorporated service providers in excess of $600 must receive a Form 1099 Information Return with name, address, taxpayer identification number, and total amount of remuneration. In addition, if the Town anticipates making payments to a business in this category and does not have the business's tax identification number, it must withhold twenty percent of the payment. We recommend that the Town identify all unincorporated service providers and insure that it is in compliance with federal requirements.

COMPUTERIZATION OF OPERATIONS

During our fieldwork, we noted that in-house computerization of functions formerly performed by a service bureau was in progress. We commend the Town for its efforts to achieve cost savings in this area. We urge Town officials to develop a written plan of other areas where the benefits of computer application would be economical. We recognize that budgetary constraints will be a factor in the time frame for implementation of the plan, but strongly believe that a plan developed by the Town, not the vendor, is essential to the long-term success of the project.

GENERAL FUND CASH DISBURSEMENTS JOURNAL

The current cash disbursements system utilized in the General Fund is inadequate for the Town. We recommend that the Town immediately consider utilizing one of the many commercial bookkeeping systems on the market. Adoption of this recommendation would considerably streamline the accounting function.

We wish to thank the officials and employees of the Town of Hinsdale for their assistance and cooperation during our engagement.

HINSDALE LIBRARY REPORT

1984

Despite the discontinuance of the state bookmobile services, the competition from video games and the spiralling costs of books the library has succeeded in holding its own.

The Summer Reading Program for the town's children used the theme "Reading Rainbows" as developed by the Public Television Series. Books recommended were purchased and proved to be very well received. A party for the children was given at the end of the summer.

In the spring your librarian took a course in Library Technics as offered by the state library system entitled "Survey of the Library in the Community".

A 1984 edition of the World Book Encyclopedia was purchased. This is a valuable asset to students with homework and adults with a need for up to date information.

Special displays have been shown on shells, owls, rocks, teddybears and storybook characters throughout the year. Holidays are recognized and celebrated as well.

Donations of books with subjects ranging from antiques to zoos have been received gratefully along with paperbacks to please most any fiction lover. Mrs. Glover and Mrs. Draleaus thank all who have helped make this a good year.

Respectfully submitted,

Elizabeth Glover
Librarian

REPORT OF THE POLICE DEPARTMENT

1984

During 1984 many changes took place within the Hinsdale Police Department both in staffing and operational philosophy. Hopefully these changes will enhance the departments image, and allow it to serve the community in a professional manner.

Unlike past years we will not list the myriad of topics concerning the department. This will not be done for two reasons, first my initial investigation of past figures indicates that the accuracy of some figures cannot be verified, secondly, more important than the figures themselves are the trends that are shown by them. These trends then need to be analyzed for implementing future programs.

Based on information that is available major investigations by the department have increased approximately 20% over last year. Areas of concern are an increase of alcohol related offenses, drug offenses and crimes against the person. Property crimes such as burglary are either holding at or are slightly lower than the past.

The Police Department itself needs improvement in many areas and this can only be accomplished with community support. The citizens of Hinsdale showed exceptional judgement in having the professional survey of the department undertaken. Equally important is the implementation of the various components of the study. The department definitely needs a permanent location and I feel that the current location on River Street is a good one if our present building is modernized. Other areas needing attention are equipment, and wages. In order to build stability into our Police Department a competitive salary and good equipment are going to be necessary so that qualified personnel can be retained.

Finnally our department needs good communication with the community so that problems can be identified and corrected. I would encourge those members of the community with specif concerns to contact me or any member of the department so that we can mutually work toward a solution.

In closing I would like to extend my thanks to those who have supported the departments efforts during the past year. Additionally we hope to upgrade and improve service to the community in the upcoming year.

Respectfully submitted,

R. Craig Ohlson, Chief of Police

ADMINISTRATIVE ASSISTANT'S REPORT

During the past year, several important programs and events have impacted the Hinsdale community. The housing revitalization and community development program has been very productive. The award of a second grant for the 1985-86 period has ensured the longevity of the program. The preliminary phases of the well development project where approved by the State of New Hampshire and it is expected that work will progress on the project in 1985.

Our Town, a community oriented newspaper, was started by officials representing Hinsdale's schools and local government and is produced monthly by dedicated volunteers. The paper, distributed at no cost to all Hinsdale residents, is a fine example of what occurs when a group of energetic individuals work toward a common goal. The volunteers behind Our Town are worthy of commendation.

There are many volunteers behind the Town of Hinsdale, your Town. Credit is due the many individuals who give selflessly of their time on behalf of the community. Included in this number are citizens who participate on local boards and committees, in the service departments such as fire and police and in local civil and religous organizations. These people are the backbone of the Hinsdale Community. Whether elected, appointed or volunteer, every person participating in a local organization is part of the driving force that makes the Town of Hinsdale.

While many of the organizations work with energy, more help is always needed. Take the time to participate in 1985. Make Hinsdale your town.

Respectfully submitted,

Jeffrey Francis,
Administrative Assistant
Hinsdale Board of Selectmen

HINSDALE BOARD OF ADJUSTMENT

1984

The Board of Adjustment heard a total of five (5) cases in 1984. Of the five (5) cases, one of which was a rehearing two (2) were denied and three (3) were granted.

The Board would like to thank the Selectmen and Jeff Francis for their help throughout the year.

Board members are as follows:

Barbara Dube' - Secretary
Annie Butler
Marie Gormley
Barbara Levasseur
David Coretta

The Board is in need of new members and alternates. We would like to encourage the Town's people to participate on our Board.

Respectfully submitted,

Barbara Dube'
Secretary
